CHAIRS AVAILABLE IN ALL 3 FINISHES

A close-up photograph of a dark-stained wooden chair or table leg. The wood has a prominent vertical grain. A light-colored, textured fabric seat is visible, partially obscured by a semi-transparent grey text box. The background is softly blurred, showing more of the chair's structure.

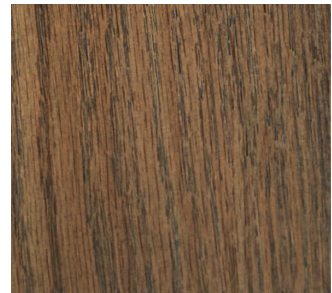

The Americana Collection by John Thomas Furniture features 3 solid wood finishes with 60+ fabric options available for soft seating. The collection is 100% American made. Constructed in solid, North American Oak, Americana tables and chairs are built to the highest quality heirloom standards by generational craftsmen.
